अमृत महोत्सव में हमारी मधुर प्रस्तुति !!!

The Indian subcontinent that once attracted the world to itself, had lost its splendor under the tyranny of the British rule. Steadfast in our resolve, our forefathers fought relentlessly to gift their future generations the freedom we can now be proud of. Facing many challenges and winning many battles to redeem and reclaim our lost glory, we are now at this juncture, celebrating 75 years of freedom, pride, and accomplishments.

To celebrate and commemorate this journey of hardships and triumph, the Government of India has proposed a 75 - week celebration fiesta.

As part of our celebrations, SCTIMST TRIVANDRUM is organizing a logo contest
The logo should bring together the essence of the existing emblems of SCTIMST and DST while incorporating the salient features of the logo of the Amrut Mahotsav.

Winners will be rewarded, and the selected logo will be featured on the SCTIMST website and displayed onsite at the exhibition planned during the festivities at SCTIMST.
