"Knowledge sharing platform"
Dear colleagues and friends,

FLAIR- as an education programme has attempted to foster the quest for learning by illuminating the latest trends and advances in Imaging sciences and Interventional Radiology. We are happy to inform you that **FLAIR -2017** (7th in the series) is scheduled on 22nd and 23rd of April.

It is designed as a good platform for updating your knowledge on Radiological techniques and developing skills & strategies to master them. The technical sessions also will facilitate the participants to interact with the experts and help them gain and exchange knowledge in the field of diagnostic radiology.

It is our pleasure to invite you to the two day conference held at SCTIMST and welcome you to the temple town- Thiruvananthapuram. Looking forward for your presence and active participation in **FLAIR-2017**.
