

INVITATION

One-Day Workshop on Biomedical Innovations

*An Awareness Program for the
Empowerment of Female Students*

27th Sep 2024, 9 am – 5 pm

Biomedical Technology Wing, Poojapura,
Mudavanmugal Road, Thiruvananthapuram

Objective

The objective of this program is to bridge the gap in knowledge and awareness of the remarkable advancements in biomedical sciences. With an aim of fostering inclusivity and promoting diversity in education and research, this program is exclusively planned for female students. It is anticipated that the said program would encourage their active participation and empower them with knowledge that can shape their future.

Program Highlights

- Expert talks on biomedical innovations.
- Expert talks on opportunities for women in science, technology and engineering.
- Visits to state of the art laboratories in biomedical science and engineering at BMT Wing, SCTIMST Trivandrum.

Who should attend

- 10+2, UG, PG, PhD female students/ project staff from all across the state of Kerala.

About NASI

[NASI](#) (National Academy of Sciences, India), established in 1930, is the oldest science academy in India. It was founded with the objectives to provide a national forum for the publication of research work carried out by Indian scientists and to provide opportunities for exchange of views among them. This event is supported by the Kerala Chapter of NASI.

About SCTIMST

[SCTIMST](#) is an Institution of National Importance under Dept. of Science & Technology, Govt. of India. The institute has the status of a university & offers excellent research & training facilities. It has three wings: tertiary referral super specialty hospital, Biomedical Technology Wing & Achutha Menon Centre for Health Science Studies. This event is conducted at BMT Wing.
