

## WORKSHOP ON 'ANALYSING MEDICAL AND HEALTH DATA USING 'R''

Achutha Menon Centre for Health Science Studies (AMC) is conducting a two-day workshop on '**Analyzing Medical and Health Data using R**', on 6 & 7 October at the centre. The workshop instructor will be **Professor V Raman Kutty**. The workshop introduces participants to the use of 'R', software on the free platform which can be used for data analysis, graphics, and statistical model building. R is getting increasingly popular among scholars and researchers the world over who are keen to do their own data processing. An exposure to R is considered a basic skill for aspiring researchers in many fields, including medicine and health.

The workshop covers two days (6 & 7 October). The fees for attending the workshop will be Rs 3500. Those interested may please send a mail with their contact details to [r4analysis@gmail.com](mailto:r4analysis@gmail.com). The last date for registration is 5 October 2017. Participants will be admitted on a first-come, first-served basis.
