Dear colleagues,

We are pleased to invite your honorable presence in the state level conference on '**Cardio vascular and Thoracic Surgical Nursing : Clinical Updates**' at Achutha Menon Centre, Sree Chitra Tirunal Institute for Medical Sciences and Technology, Thiruvananthapuram, on 10th June 2017, organized by the Nursing Service Division in collaboration with Department of Cardiovascular and Thoracic surgery, SCTIMST.

In the era of cutting edge technology and medical advancements, CVTS nursing has emerged as a challenging specialty demanding high quality nursing care. SCTIMST, being a forerunner in the realm of Cardiovascular surgery, has prepared a platform to share the wealth of knowledge through this state level conference. Target beneficiaries include nurses working in critical care specialties, postgraduate nursing students and nurse educators.

OBJECTIVES

- Illustrate the basic concepts in nursing management of patients who have undergone open heart surgeries
- Incorporate the current critical care concepts into the nursing practices and guidelines pertaining to post operative intensive care management.
- Refine critical thinking skills and clinical judgement through case study discussions and interaction with experts in the field
