MEDICAL SCIENCES AND TECHNOLOGY**
THIRUVANANTHAPURAM

**CONTINUING NURSING EDUCATION
ON COMPREHENSIVE
NURSING MANAGEMENT IN STROKE**

Date : 24th October 2015

**Venue : Diamond Jubilee Auditorium
Govt. Medical College, Thiruvananthapuram**

Organised by Nursing Service Division, SCTIMST

Due credit hours will be allotted as per KNMC norms

Dear Colleagues,

We are pleased to invite you for the **Continuing Nursing Education on Comprehensive Nursing Management in Stroke at Diamond Jubilee Auditorium, Medical College, Thiruvananthapuram-11, on 24th October 2015** organised by the Nursing Service Division, under the direction and support of the Division of Comprehensive Stroke Care Programme, SCTIMST.

This **Continuing Nursing Education** aims at discussing various aspects in the care of stroke patients, from acute care to discharge planning and home care. Target audience include staff nurses, nursing students (Post graduates specialising in neuro nursing and Diploma in neuro nursing) and nurse educators.

Objectives:

The participants will be able to-

1. Identify the basic concepts in nursing management of patients with stroke
2. To introduce the concept of Comprehensive Stroke Care Unit.
3. Incorporate the current critical care guidelines of comprehensive stroke care in reducing the door-to-needle time.
4. Refine critical thinking skills and clinical judgment in identifying the case for interventions, nursing care, rehabilitation and risk care management.
5. To appraise the significance of multidisciplinary team approach in stroke rehabilitation .
