Ambedkar Jayanthi

(Knowledge Day Celebrations-2022)

Ambedkar Jayanthi or Bhim Jayanthi is celebrated to pay respect and homage to the father of Indian Constitution Dr. Bhimrao Ambedkar. He is known as the number one scholar in the world and holds the distinction of being the first Indian to pursue a doctoral degree in economics abroad in Colombia. Dr. Ambedkar was the first person to pursue PhD in Economics and the first double doctorate holder in Economics in South Asia. He gained reputation as a scholar for his research in law, economics, social science, history, anthropology and political science. In his early career, he was an editor, economist and a professor. He was master in 64 subjects and is proficient in 11 languages.

Dr. Ambedkar said, “Education is what makes a person fearless, teaches him the lesson of unity, makes him aware of his rights and inspires him to struggle for his rights.” Ambedkar believed that education was the most important means of raising the people’s standard of living. His slogan is “**Educate, Agitate and Organize**”. He believed that education is a movement, if it does not fulfil its objectives, it is useless. Dr. Ambedkar unambiguously stated that an education that does not make a person capable, that does not teach him equality and morality, is not true education. True education cradles humanity, generates sources of livelihood, imparts wisdom and imbues us with egalitarianism. True education makes society alive.

The commemoration of Ambedkar Jayanthi as Knowledge Day will acknowledge Dr Ambedkar’s vision towards education and acquiring knowledge.

131st AMBEDKAR JAYANTHI CELEBRATION

27 August 2022
