

FIRST ANNOUNCEMENT

**ELECTROENCEPHALOGRAPHY AND
VIDEO EEG
WORKSHOP**

27 AND 28 DECEMBER, 2014

VENUE:

**SREE CHITRA TIRUNAL INSTITUTE FOR MEDICAL
SCIENCES AND TECHNOLOGY**

ORGANIZED BY

**R MADHAVAN NAYAR CENTRE FOR
COMPREHENSIVE EPILEPSY CARE**

**DEPARTMENT OF NEUROLOGY,
SREE CHITRA TIRUNAL INSTITUTE FOR
MEDICAL SCIENCES AND TECHNOLOGY
THIRUVANANTHAPURAM**

R. MADHAVAN NAYAR CENTRE FOR COMPREHENSIVE EPILEPSY CARE

Electroencephalography and video EEG constitute the cornerstones in the diagnosis and precise classification of epilepsy syndrome, identification of surgically remediable refractory epilepsy syndromes and decision making regarding AED withdrawal. The residents in neurology often do not receive adequate exposure to EEG reading and interpretation of EEG during their busy training program. The objective of this workshop is to offer a brief package on EEG and Video EEG to reinforce and overcome this gap in training. The program consists of didactic lectures on the principles of EEG reading and interpretation (30% of time), hands on page by page reading sessions (40 % of time), EEG discussion rounds (15% of time) and participant initiated discussions (15% of time). In this manner we intend to cover all the clinically important topics in EEG. We also would be offering the course material that would enable the participant to navigate through the program effectively. Since we can accommodate only a limited number of participants, kindly register your name immediately.

Dr. MD Nair MD, DM
Patron
Prof. & HOD, Neurology

Dr. Sanjeev V. Thomas MD, DM
Chairman
Prof. & Head, RMNCEC

Dr. Ashalatha R. MD, DM
Organizing Secretary
Assoc. Prof, Neurology
