

WORKSHOP ON 'ANALYSING MEDICAL AND HEALTH DATA USING 'R''

Achutha Menon Centre for Health Science Studies (AMC) is conducting a two-and-a-half day workshop on '**Analyzing Medical and Health Data using R**', on 30 September and 1 October 2016 at the centre. The workshop instructor will be **Professor V Raman Kutty**. The workshop introduces participants to the use of 'R', software on the free platform which can be used for data analysis, graphics, and statistical model building. R is getting increasingly popular among scholars and researchers the world over who are keen to do their own data processing. An exposure to R is considered a basic skill for aspiring researchers in many fields, including medicine and health.

The workshop covers two days (30 September and 1 October 2016). The fees for attending the workshop will be Rs 3000. Those interested may please send a mail with their contact details to r4analysis@gmail.com. The last date for registration is 20 September 2016
