

Report of the Open Day-2024

Sree Chitra Tirunal Institute of Medical Sciences and Technology (SCTIMST), Trivandrum warmly welcomed the public to its 'Open Day' event held at the Biomedical Technology (BMT) Wing campus, Poojapura on the 23rd of February 2024. The primary aim of this initiative was to provide a platform for both the public and students to familiarize themselves with the various clinical, research, and development endeavors of SCTIMST. This event served as an integral component of SCTIMST's outreach efforts to engage with and educate the wider community.

On the day, the visitors were received at the registration desk which was followed by a video on the activities of SCTIMST along with brief introduction about the institute, at the Natakasala. Exhibits including stills and working models, prototypes and posters from all the four departments of BMT Wing were arranged for the visitors, at seven venues. Departments of neurology, neuro surgery, transfusion medicine, Pathology, microbiology and Nursing took part with their exhibits, stills, posters, videos, specimens and demonstrations. AMCHSS also actively participated and showcased their activities.

Students from the following schools/colleges including 27 students from Karunya Deemed University Coimbatore visited the campus on this day.

1. Govt. Polytechnic Nedumanagadu
2. National college, Manacadu, Trivandrum
3. HHMSPB NSS College for Women, Neeramankara, TVM
4. Mar Ivanios College, Tvm
5. PMS dental college, Vattapara, Tvm
6. College of Engineering Trivandrum
7. AJ college of science and technology, Tvm
8. Fatima Mata National college, Kollam
9. Karunya Deemed University , Karunya nagar, Coimbatore.
10. Shantiniketan Scholl, Kunnumpuram, Tvm
11. Christ Nagar Public school, Maranalloor

Moreover, more than 200 people representing various facets of life also visited the campus with a total count of visitors crossing 1000.

All attendees were requested to complete a feedback form, which was linked to their certificate of participation. In an effort to foster innovation among the younger generation in the fields of biomedical research and medical device development, an idea contest was introduced concurrently with the feedback submission process. Cash prizes were announced for the top three most exceptional ideas. Over 330 feedback forms and an equal number of ideas were received. Faculty members from various departments evaluated the ideas to select the three winners, whose names were announced during the Science Day celebrations on February 28th, 2024. The event gathered widespread acclaim from students and other attendees and received extensive coverage from popular TV news channels and newspapers, including Doordarshan, Mathrubhoomi, Jaihind, and Ananthapuri FM radio station.
