Buyer Added text based ATC clauses

1	Cost Per Reportable Test: The technically qualified successful bidder can install brand new “ <u>Enzyme Linked Fluorescent Assay (ELFA) System</u> ” in Microbiology Department, SCTIMST as per the terms and conditions of the tender document with free maintenance of the equipment installed under OPEX model of procurement. Cost per reportable test will be paid by the Institute in subsequent months subject to conditions as per tender document.		
2	Initially, the contract is for one year and can be extended up to ten years subject to review of the performance of the service provider/OEM and submission of declaration in accordance with Clause No.19. The rate quoted will be frozen for entire contract period including extended period if any, without escalation. However, increase / decrease in GST will be considered.		
3	The equipment on offer should have the capability to perform following tests and should also comply with the specification as per tender document. The bidder is required to quote for all the tests. The bidders are required to quote the aggregated value for the following number of tests to be performed during the contract period on the GeM Portal. <b>However, split up of quoted prices should be provided in Price Format - A and uploaded in the prescribed place (Financial Document required) on online GeM portal along with price bid only.</b> The price quoted in the prescribed field on GeM portal will be considered for ranking purpose. Total price quoted in Price Format - A must match with the price quoted in GeM portal. Estimated number of tests has been calculated from previous year. No assurance to the vendor on minimum guaranteed number of investigations in a financial year will be provided by the Institute. . Details of tests to be done are as follows.		
	<b>Sl.No.</b>	<b>Name of Test</b>	<b>No. Of tests to be done in a year (Approximate)</b>

1	4 <sup>th</sup> Gen ELFA for HIV	5000
2	ELFA for HbsAg	5000
3	ELFA for HCV	5000
4	ELFA for Procalcitonin	1600
5	ELFA for TSH	8790
6	ELFA for Free T3 (FT3)	7500
7	ELFA for Free T4 (FT4)	7500
4	Rate of Cost Per Reportable Test to be quoted. This will include all incidental expenses, cost of reagent, calibrators, controls, probes, washing solution, resins (if applicable) and GST. The calibrators, controls, etc will be used as per NABL stipulation. All breakdown maintenance, transportation, loading and unloading, spare parts & AMC/CAMC, preventive maintenance kit, remedial maintenance service and calibration shall be the sole responsibility of the bidder at their own risk cost and expenses. Additional requirements, if any as per specification documents shall be provided by the successful bidder free of cost.	
5	The instrument on offer should be brand new and having the facility to generate successful / unsuccessful test results list and must meet all technical features according to the tender document. Details of tests performed must be generated from the equipment as and when required by the department.	
6	The successful bidder should install brand new equipment as per clause number 1 above within 7 days from the date of issuance of GeM contract and must be operational from the subsequent days.	
7	The Institute will provide an air-conditioned environment, if necessary with uninterrupted power supply for the working of the system.	
8	The company should have at least 05 nos. of installations/rate contract/Cost per reportable test contract of similar equipment in any Central / State Govt. Organization / PSU / Public Listed Company in India.	
9	The rate offered by the bidder should be same or lower than in any Central / State Govt. Organization / PSU / Public Listed Company in Kerala State that does the same number of tests per year. A Notarized affidavit to this effect has to be submitted by the bidder along with technical bid regarding fulfilment of this condition.	
10	The equipment manufacturer and reagent manufacturer must be the same and a declaration in this regard shall be uploaded along with technical bid. The technical compliance and brochure of the equipment offered should be attached along with the technical bid.	
11	The successful bidder should replace or upgrade equipment with newer version on mutually agreed terms, as per availability of newer model in market, subject to approval from SCTIMST.	
12	The laboratory of SCTIMST is integrated with Laboratory Information System (LIS). The supplier will have to integrate the equipment with the existing SCTIMST's LIS at their own cost. The vendor should integrate their instruments in such a way that this facility can be provided uninterruptedly to the beneficiaries.	

13	The successful bidder should keep an adequate buffer stock of the reagents and consumables etc required to conduct the test at SCTIMST and ensure that the testing procedures are not interrupted even in a shift due to the lack of reagents and other consumables. Shelf life of the reagents should not be less than 80% of the total stipulated shelf life at the time of delivery.
14	The equipment, reagents and consumables, etc required to perform the test must have a valid Indian product certification. If, there is no valid Indian product certification available, then the items on offer should have USFDA / CE product certification. Documentary evidence should be attached along with technical bid.
15	On-site training to Staffs/Technicians/Faculties to be provided by bidder representative of OEM with regards to operation and maintenance of the equipment to be done through the entire contract period including extended period if any, as and when requested by the Institute at no extra cost to the institute.
16	SCTIMST reserves the right to ask for a free demonstration (Online / Offline) of the quoted equipment/ items after giving reasonable time to the bidder at a pre-determined place acceptable to the purchaser or at a site (in case of non-portable and heavy equipment) for evaluating the technical compatibility as per the bidding document specifications, professionalism and quality of work of the bidder for technically qualifying for opening the Price Bid. SCTIMST reserves the right to accept/reject the bid based on the product/site evaluation as stated above.
17	The OEM / Bidder should have a registered functional office at Kerala State and documentary evidence should be uploaded along with technical bid. Service Engineer shall be available on any break down or emergency calls. If he/she fails to repair it within 24 hrs, a standby instrument should be provided by the supplier until the rectification of the fault.
18	Supplier will analyze the quality control once in a month to check the performance of the instrument.
19	If at any time during the period of contract, the price of cost per reportable test is reduced or brought down by any law or Act of the Central or State Government or by the bidder himself, below the contracted rate, their contracted rate will stand reduced automatically to the reduced level. Failure to provide reduced rate will be deemed as withdrawal from the tender and contract and shall be dealt with accordingly. If supplies are made at higher rates after the reduction of rate, payments will be eligible at the reduced rates only.
20	<b>Payment Clause</b>
20.1	The bill in triplicate shall be provided to Department of Microbiology, SCTIMST within first week of subsequent month. Monthly bill should be generated after calculating the number of reportable tests for each line of items. The invoice should be accompanied by the list of successful / unsuccessful tests. No payment will be made for the unsuccessful tests due to any reason whatsoever. Further no payment will be made for goods rejected due to any reason whatsoever.
20.2	The bills should have full particulars of the numbers of each kind of test done during the invoice period.
20.3	The number of tests in the bill submitted should match with the records generated in the supplied equipment.
